ADJUSTMENTS OF THE RULES CONCERNING THE CARRYOVER FOR THE V85 JACKPOTS

Changed conditions

ATG® will make adjustment to the handling of jackpots on V85®, which means that:

- ATG will set aside 100 percent of the value of all created jackpots on V85 on March 28, April 2, 3 & 4, 2027 to the Multi Jackpot Sunday April 5th, 2026.
- After this period, 100% of the carryover from each ordinary V85 round will be distributed to the next ordinary round, usually on a Saturday.
- Additionally, 100% of each carryover from "Extra V85" rounds will be set aside to the Fund. The funding, in whole or in part, will be allocated to the 8-correct pool on V85 on occasions determined by ATG. This will also be the case if a partial jackpot occurs – meaning the number of winning systems is below 1.0.
